

WEM01

IC New Family Certification Letter

Product Name: WEM01
Model Number: TP-WEM01 and T6-WEM01
Date: October 23, 2014

WEM01 Models

- TP-WEM01 – Branded as Carrier
- T6-WEM01 – Branded as Bryant

Both models of WEM01 have the same base circuitry. The only difference is that the two models are branded differently.

All other documentation for New Certification have been provided with the filling.
