

RFU620 UHF Antenna

For industrial and logistic applications

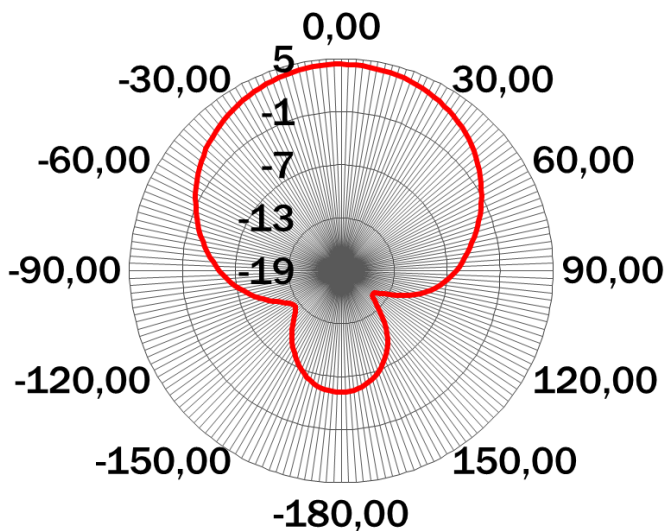

Compact sized, right hand circular polarized multi purpose UHF-RFID Antenna with high gain and good Front-to-Back Ratio.

Characteristics ideal for usage in logistics and industrial applications.

Robust enclosure with IP65 (IP67) rating.

RADIATION PATTERN (915 MHz)

TECHNICAL DATA

Type	RFU 630 FCC
Frequency range	902-928 MHz (FCC)
Polarisation	RHCP
VSWR	< 1.3
Gain	4.4 dBic (+/- 1dB)
Axial Ratio	< 3dB (typ. 2dB) (+/-1dB)
3dB Beamwidth	95° (typ.)
Front-toBack Ratio	> 9dB
Dimensions	130,8 x 137,4 x 55,4mm (RFU620 Enclosure)
