Columbia MD 21046

FCC ID: WTO-CP1110

To whom it may concern:

We,

Cochlear Limited
1 University Avenue
Macquarie University

hereby declare that the available surface area for marking on Nucleus 8 Sound Processor (model number: CP1110) is not sufficient for FCC ID.

Hence, we have submitted a request through the Office of Engineering and Technology Laboratory Division Knowledge Database (KDB) to explain this situation and to avoid the marking of the FCC ID on the Product.

Their response is attached to the application for certification.

Sincerely,
