## ATTESTATION STATEMENT

### Declaration on similarities between variants

TO WHOM IT MAY CONCERN

We, Panasonic Automotive Systems Europe GmbH, located in Robert-Bosch Str.27-29, Langen, 63225, Germany, declare on our sole responsibility that the equipment model MIB3E\_MQB\_BTWIFI, part numbers 654.035.867.A and 575.035.888 have same main PCB and RF modules. Main differences are display frame, type of buttons and front panel PCB.

Additionally, they have different HW and SW versions as a result of the different number of releases needed to adjust structure fitting and to fix SW bugs due to different HMI. Operation characteristics remain in both part numbers and are not affected by this variation.
