To whom it may concern,

We, **Panasonic Automotive Systems Europe GmbH** (FCC Grantee Code: WUQ), hereby declare that we would like to perform a Class II Permissive Change for FCC because some changes have been carried out to original designs.

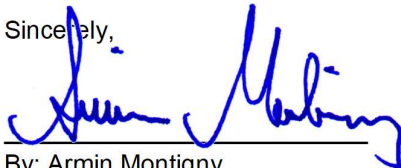

These modifications are HW and mechanical changes done to optimized the operation of the product. In any case they have an impact in RF characteristics of the products reported at initial certification.

For your reference, you may find enclosed to this application the list of modifications.

We are submitting the following new evidences related to the product, since they are different from the initial homologation:

- Partial RF and EMC test reports
- Schematics
- Internal Photographs

Sincerely,

By: Armin Montigny
