To whom it may concern,

We, **Panasonic Automotive Systems Europe GmbH** (FCC Grantee Code: WUQ), hereby declare that we would like to perform a Class II Permissive Change for FCC because we want to add a new variant related to products already certified.

New variant – Octavia VE – 5E3.035.869.D

This new variant is related to the product certified on 12/03/2020 and has the following relation with it:

1. Same main PCB.
2. Different front PCB.
3. Different external structure.

The following technical exhibits are different from the previous certification and have been submitted:

- Partial RF and EMC test reports
- External and internal photographs
- Label design
- Schematics (front PCB)
- User manual

Sincerely,

P.A.
