Re: **Brightstar Corporation**
FCC ID: WVB-C800P
FCC Part 22H Certification
Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. **Brightstar Corporation** requests that the following documents regarding this submission for FCC ID: WVB-C800P be kept confidential:

Exhibit Type	File Name
Block Diagram	C800P Block Diagram.pdf
Schematics	C800P Circuit Diagram.pdf
Operational Description	Engineering spec for C800P.pdf
Part list	C800P BOM.pdf
Tune-Up-Procedure	C800P Tune up procedure.pdf

Those documents contain detailed system and equipment description and related information about the product which **Brightstar Corporation** considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, **Brightstar Corporation** considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Welfon Giolo
