Mr. Adams:

In order for processing of these certification applications (FCC ID: WW8FS-CONTROL) to continue, the following issue(s) will have to be addressed:

- 1) Please provide a signed TCB contract.
- 2) Please indicate compliance with the voltage variation requirements contained in section 15.31(e) of the FCC rules.
- 3) The user's manual must contain the statement required by 15.21 of the FCC rules regarding modifications to the device.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website. Your correspondence number is WW8FS-CONTROL-1
