

## BACK VIEW

Product label printed inside the Port Cover.  
Please not the orientation of the print. It is placed upside down so when the cover is opened it is in the correct orientation.

 Laser etch

 Cool Gray 11C

## BACK VIEW

SN and DOM will be on the sticker that covers the injection point on the back.

Serial Number: We require unique serial numbers on each product which is a combination of PO #, "LW", and 6-digit sequential number. e.g.) 15938LW000001, 15938LW000002, etc.

DOM:  
DOM is the "date of manufacture". Please use the following format: "DOM:(two digits of the year, two digits of the week of that year)"

For example, for products that are produced on the first week of 2023, the DOM will be "DOM: 2301"  
for products that are products on the last week of 2023, the DOM will be "DOM: 2352"

Please check all SN and DOM number with Steve Lee. He will review and approve them.
