

## Modular Approval Request Letter

Dear Application Examiner,

PROWARE, It's PW-MN427\_54I, FCC ID: WWMMN42754IV1, would like to have your authorization as a limited modular approval specific to the computer device such as Internet Television, Media Player, IPTV Set Top Box, IP Camera and Print Server. The requirements of section 15.212 have been met and shown on the following statements.

1, "The modular transmitter must have it's own RF shielding." The radio portion of this module has been shielded, please see exhibition External Photo.

2, "The modular transmitter must have buffered modulation data inputs." The EUT has buffered data inputs, it is integrated in chip RT3070.

3, "The modular transmitter must have it's own power supply regulation." The USB interface provides 5V DC, the on board LDO IC convert 5V to 3.3V and the on board power IC MP2104 convert 3.3V DC to 1.5V DC. The chip RT3070 uses both 3.3V DC and 1.5V DC, 3.3V DC also used to supply external PA (RTC6661).

4, "The modular transmitter must comply with antenna requirements of section 15.203 and 15.204(c)." The EUT meets the FCC antenna requirements, it's have I-PEX antenna connector that no antenna other than that furnished by the responsible party shall be used with the device, The spurious emissions are shown in the test report.

5, "The modular transmitter must be tested in a stand-alone configuration." The EUT was tested in a stand-alone configuration via a PCB to Notebook, please see section photographs of test configuration in the test report.

6, "The modular transmitter must be labeled with it's own FCC ID number." Please see exhibition Label Sample for the FCC ID of this module.

7, "The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacture must provide adequate instructions along with module to explain any such requirement." The EUT is compliant with all applicable FCC rules, detail instructions for maintaining compliance are given in the users Manual.

8, "The modular transmitter must comply with any applicable RF exposure requirements." The EUT is compliant with all applicable RF exposure requirements. RF exposure is addressed in the test report.

Best Regards!

---
