Dear Mr Lyles,

Your correspondence referenced above requested that we:

“Please submit a signed letter requesting confidentiality. Letter should include a list of exhibits to be marked confidential. Letter should include a brief explanation as to why confidentiality is requested.”

As we are asking that our application be dismissed, we also ask that our request for confidentiality be withdrawn from our application. Please inform us whether the contents of our withdrawn application will still be made public despite no grant being made.

Please contact me by telephone or email (detailed below) if you have any questions or requests pertaining to this particular correspondence regarding confidentiality. Separate correspondence requesting dismissal will be uploaded via the Equipment Authorization E-Filing System.

Yours sincerely,

Scott Mackie
