Re: Change of Identification Authorization, FCC ID: VCB-540D144

Date: 11/25/2008

To Whom It May Concern:

This letter grants authorization for representatives of EMS Technologies, Inc. to apply to the FCC

for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Rabbit Semiconductor Incorporated – A Digi International Company Wireless 802.11 b Embedded Module, FCCID: VCB-540D144. We are aware that EMS Technologies, Inc. intends to market the above referenced product under their own FCC ID: WXJ-RCM4400W.

Sincerely,

Matthew Knobloch
