RE: CONFIDENTIALITY REQUEST FOR ES2440, FCC ID: WYK-ES2440x

To Whom It May Concern:

This letter serves as justification for long term (i.e. permanent) confidentiality for internal photos of the system and its components. These photos reveal the internal hardware design of the product. As such, these photos reveal trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provides unjustified benefits to its competitors.
