**FCC ID: WZ7CAMINO-101**  
**Attestation Statement**

The AMEC CAMINO-101 is a class B AIS transponder using carrier-sense time division multiple access (CSTDMA) techniques. The CAMINO-101 is designed and manufactured by Alltek Marine Electronics Corporation.

The CAMINO-101 was successfully tested by Bundesamt fur Seeschiffahrt und Hydrographie (BSH), Phoenix Testlab, and QuieTek as meeting the requirements of IEC 62287, IEC 61162 (applicable parts), and IEC 60945. Also the CAMINO-101 has passed USCG approval requirements.

Alltek Marine Electronics understands that the FCC has not yet published rules for the approval of class B AIS under CFR 47 part 80 and therefore requests that consideration is given to applying a waiver to this product pending the completion of the rulemaking process.
