2.4 GHz Client Adapter

FCC ID: WZZ-KIPRO2400

IC ID: 8136A-KIPRO2400

ICES-003 Class B

NMB-003 Classe B

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

방송통신위원회

Certification No.:

AJA-Ki-Pro (A)

201 GZ 09215089  
201 WW 09215088

CCAF0XXXXXXXXTX

당해 무선설비는 운영 중 전파혼신 가능성이 있음

INPUT: 12 V  3.3 A

# Taiwan Label Requirements

For labeling purposes, please use the NCC logo, which is 5 mm square. The only other requirement is listing the certificate number: CCAF0XXXXXXXXTX on one line. (See next slide for details on logo)

## 標誌標準製圖法

A1-02

標誌的運用範圍非常廣泛，為達到統一形象的止變形，特別訂以下規範：  
繪畫比例圖：適用於大型廣告看板、招牌，無法使用原稿複製或放大的正確描繪法。

基準線：防止標誌傾斜變形。  
最小使用規範：標誌應用時，因縮小可能出現模糊不清的不良效果，為確保標誌的完整性與再現性，使用時盡量不要小於15mm。
