Voluntary dismissal of DTS grant  
Product name: BRIE with FCC ID X26BRIE

**To FCC:**

BRIE has recently gotten both a DXX grant and a DTS grant.

It is hereby declared that the DTS grant for the Bluetooth LE part is voluntarily dismissed because the grant line item will be included in the DXX grant. As per todays date, the BRIE device has not yet been marketed, and will only be marketed after the grant line item has been added to the DXX grant.
