Re: Confidentiality request for FD-1 and FCC ID X26FD-1:

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459.

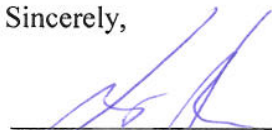

We have requested that the FD-1 documentation required to be submitted with this application be withheld from public review, as following:

- Confidential: Schematic, Block diagram, Operational description.
- Short term confidential: Internal photos, User manual, external photos and test setup photos. End date of confidentiality: June 1st 2010. The product will not be placed on the market until June 1st 2010, therefore short term confidentiality for the internal photos, User manual, external photos and test setup photos are requested.

Documents are company proprietary information.

Please contact me if there is any information you may need.

Sincerely,

Lars Hagander
Vice President Corporate Quality
