Re: Confidentiality request for MRIE and FCC ID X26MRIE:

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459.

We have requested that the MRIE documentation required to be submitted with this application be withheld from public review, as following:

- Confidential: Schematic, Block diagram, Operational description and parts list.
- Short term confidential: Internal photos, User manual and external photos.
- End date of confidentiality: August 30th 2011. The product will not be placed on the market until August 30th 2011, therefore short term confidentiality for the internal photos, user manual and external photos are requested.

Documents are company proprietary information.

Please contact me if there is any information you may need.

Sincerely,

Lars Hagander
Vice President Corporate Quality
