### FCC Part 15 Certification

Gentlemen,

In accordance with 0.459 of CFR 47, GN Hearing A/S hereby requests:

- Confidentiality of following attachments: Block Diagrams, Circuit Description, Schematics, Parts List, Operational Description for the subject application.
- Short-term confidentiality of following attachments: Internal photos, external photos and user manual.
- Release date of short-term confidentiality is: August 25, 2012. The product will not be placed on the market until August 25, 2012, therefore short-term confidentiality of following attachments: Internal photos, external photos and user manual are requested.

These documents contain detailed system and equipment description and related information about the product which GN Hearing A/S considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, GN Hearing A/S considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

  
STEWART POLLEY on behalf of
