

We have potentially 3 pre-approved dongles we can use (as listed below), therefore whichever dongle the factory orders they are to apply a separate FCC label on the product

Product Description	FCC ID	Factory
Bluetooth dongle (VD-1100)	FCC ID: VHVBTVD1100	Vencer
Bluetooth dongle (USB06M)	FCC ID: X2806M	Cyber blue
Bluetooth dongle (BT-330S-V4)	FCC ID: PANBT400	CC&C

At the moment we have only placed orders for the Cyber Blue, and have attached the artwork the factory is to follow
