

Attn: Director of Certification

Cover letter regarding Class II Permissive Change application for FCC ID: X32-RHKFO

The applicant is seeking equipment authorization for circuit and board layout changes to their Keyless Entry Remote Control, Model 300-0271. The FCC ID for the device is X32-RHKFO and the original grant date is 25 February 2015. The changes are as follows:

- Changed shape of ground plane within antenna loop
- Changed matching network topology and component values

Full re-testing of the device was performed and the test reports are included in this filing.

Sincerely,

A handwritten signature in blue ink that reads "Martin Taylor".
