

**Part Number: BT23
FCC ID: X3ZBTMOD2
Request for Modular Approval**

22 January 2010

In accordance with FCC Part 15, we, Amp'ed RF Technology Inc, hereby request a limited modular level approval as outlined in FCC document DA 00 – 1407, for the device listed above.

In support of the Limited Modular Transmitter Approval, the following is stated:

- 1) The module does have buffered modulation / data inputs.**
- 2) The module does regulate its own power supply.**
- 3) The module does have a permanently attached antenna.**
- 4) The module can be tested as a stand-alone device.**
- 5) The module is labeled with the proper FCC ID, and labeling instructions are provided to OEM end users for external product labels.**
- 6) The module does have instruction for proper use.**
- 7) The module does meet the FCC RF regulations.**

Limited Modular Transmitter Approval, is requested, instead of Modular Transmitter Approval, because the following condition is not met:

- 1) The module does not have its own RF shielding.**
