Re: Request for confidentiality

Applicant: Masimo Laboratories, Inc.

FCC ID: X44-PRONTO7

To whom it may concern,

Request is hereby submitted by Masimo Laboratories, Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Internal photos
- User manual

Rationale for request for confidentiality:

Masimo Laboratories, Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

The fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Sincerely,

Howard Chan  
Test Engineer  
Masimo Laboratories, Inc.
