To Whom It May Concern:

We have uploaded two revised test reports for the above referenced FCC ID.

1. 5/10 – We had the country in their applicant's address listed as USA and it should have been Canada. This was corrected and the report was superceded.
2. 5/13 – The applicant's name was listed as L IMAGE HOME PRODUCTS, INC. on the test report and their actual name is L'IMAGE HOME PRODUCTS, INC. The revised report that was uploaded today to supercede the previous report was to correct the name.
