Note: You must be within the FLO TV™ service coverage area to continue. For more information, visit **flotv.com/maps** on your computer.
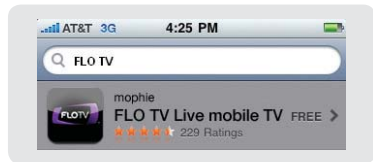

Getting Started

1. Connect to the Internet.

Make sure that your Apple device has a
Wi-Fi connection to the Internet.

2. Download the App.

Search for and download the free FLO TV™
app available at the Apple App Store.

Getting Started

3. Open the FLO TV App.

Note: The app will display a message that it
is connecting to the Internet.

Getting Started

4. Register your App with FLO TV.

Enter the Device ID (found on your Subscription Information card) at the prompt. When prompted, re-enter the Device ID.

Note: The app will display a confirmation message: "Registration Complete."

5. Turn on your battery charger with FLO TV™.

Slide the switch on the side of the battery charger with FLO TV from "Off" to "FLO TV" and wait for the FLO TV™ LED to begin Flashing Green. This may take up to 30 seconds.

Getting Started

6. Create a Wi-Fi connection between your Apple device and your battery charger with FLO TV™.

With the FLO TV™ service, a Wi-Fi hotspot is not necessary. Simply create a Wi-Fi connection between your Apple device and your battery charger with FLO TV™, as shown below.

In the Apple device settings, go to Wi-Fi and choose the FLO TV™ Wi-Fi link that matches your battery charger with FLO TV™.

Note: If more than one FLO TV™ Wi-Fi link appears, determine your personal FLO TV™ network by matching it to your Device ID found on the battery charger with FLO TV™ device label.

Getting Started

7. Open the App and Pair.

Open the Application and press "Pair", when prompted.

If you are in a FLO TV™ coverage area the FLO TV™ Preview Channel will appear shortly.

Note: If you don't see the FLO TV™ Preview Channel, you are not in coverage. You must be within the FLO TV™ coverage area to continue with the activation process. To check your area for FLO TV™ coverage, visit **flotv.com/maps**.

Getting Started

8. Activate your FLO TV Service.

Go to **flotv.com on your computer** and click on "Activate Service".
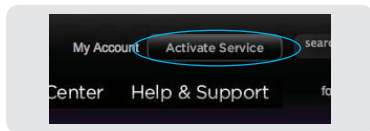

Here's the info you'll need handy:

*   **Credit/Debit Card**
*   **Valid Email Address**
*   **Device ID & Authorization Code**

To locate the Device ID and Authorization Code, check the subscription info card that was shipped with your battery charger with FLO TV™.

If you no longer have your subscription info card, you can find your Device ID and Authorization Code in the FLO TV™ app when connected to your battery charger with FLO TV™ by navigating to: Guide > Settings > Receiver Status > Subscription Info.

Getting Started
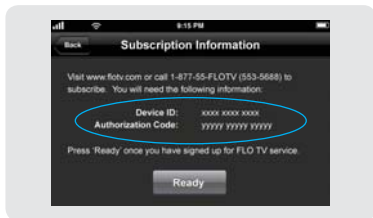

1. Provide information as prompted.
2. Once online activation is complete, go to the FLO TV App on your Apple device and navigate to the Subscription Information screen (Guide > Settings > Receiver Status > Subscription Info) and tap the "Ready" button on the bottom of the screen.
3. Stay on the Waiting for Authorization screen and in a FLO TV coverage area until you receive a message that your subscription status has changed.
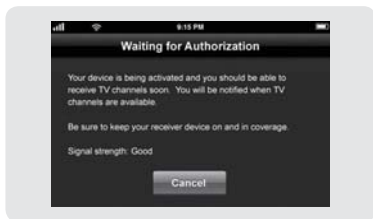

Getting Started

Note: If your battery charger with FLO TV™ is not activated within 10 minutes, try powering it off/on. If it still doesn't activate, call 877-55-FLOTV.

Note: If an error message occurs, make sure the Wi-Fi settings on your Apple device are set to your designated FLO TV™ Wi-Fi link.

Welcome to FLO TV!
