

Get Started

1

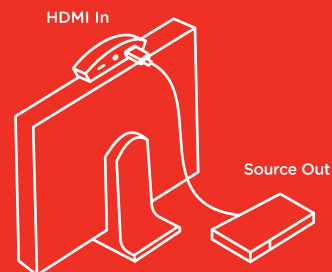

Secure Biscotti to the top of your TV with the sticky pads included in the Mount Kit

2

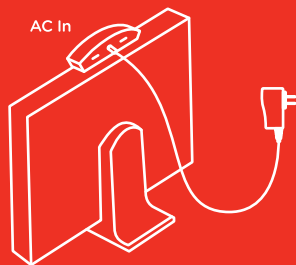

Connect Biscotti "HDMI Out" to the TV using an HDMI cable (not included)

3

If you have a cable or satellite box, connect it to Biscotti "HDMI In"

4

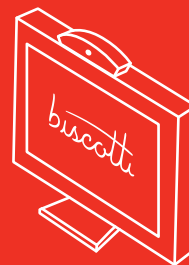

Connect the power adapter to Biscotti and plug it into a power outlet

5

Secure all cables to the back of the TV to support Biscotti using the included Mount Kit

6

Once you've got Biscotti hooked up and powered on, follow the onscreen prompts

Biscotti is best when shared:
