These documents contain detailed system and equipment description and related information about the product which Dräger Safety AG & Co. KGaA, Lübeck, Germany considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Dräger Safety AG & Co. KGaA, Lübeck, Germany considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

---
