## LETTER OF CONFIRMATION

To whom it may concern,

This letter is to confirm that InfiNet Wireless model with Part Number R5000-Smc/36.300.2x200.2x22 (FCC ID X8Q-SMC-362322) operating in the 3.65 GHz band (3650-3675 MHz) complies to FCC Part 90Z and uses the 5, 10, 20 MHz channel sizes. The 40 MHz channel is not available being restricted by the software license which cannot be overridden by the user.

Should you need further clarification, please do not hesitate to contact us.

Sincerely,

Andrey Koynov

CTO InfiNet Malta Ltd.
