

## **SETUP PHOTOGRAPHS**

This document contains 6 photographs

**Photograph No.1**  
**Setup for spurious emission measurements in the anechoic chamber below 30 MHz,**  
**EUT: sensomatic with external antenna**

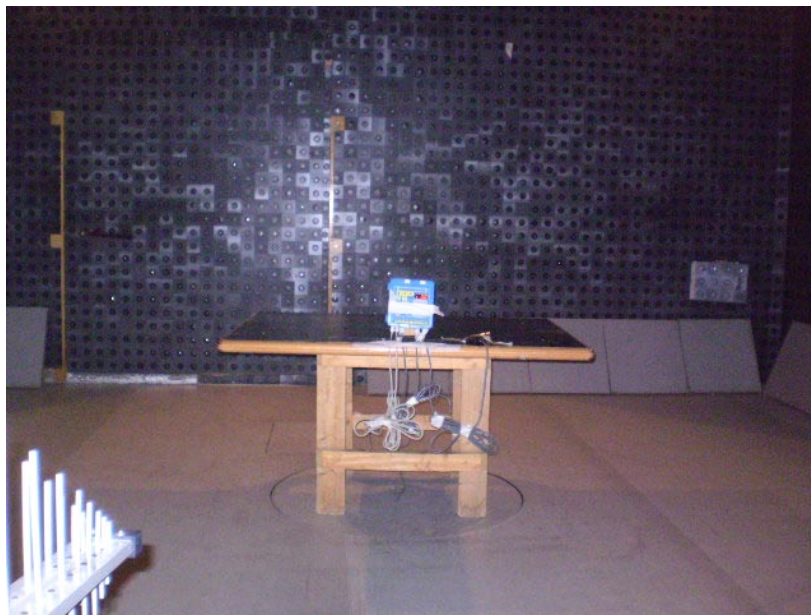

**Photograph No.2**  
**Setup for spurious emission measurements in the anechoic chamber below 30 MHz,**  
**EUT: sensomatic with internal antenna**

**Photograph No.3**  
**Setup for spurious emission measurements in the anechoic chamber from 30 to 1000 MHz,**  
**EUT: sensomatic with external antenna**

**Photograph No.4**  
**Setup for spurious emission measurements in the anechoic chamber from 30 to 1000 MHz,**  
**EUT: sensomatic with internal antenna**

**Photograph No.5**  
**Setup for conducted emissions measurements**

**Photograph No.6**  
**Setup for radiated emissions measurements in the anechoic chamber**
