## DECLARATION

To Whom It May Concern

This is to declare that the following WiMAX product, designed and manufactured by **Ubee Interactive Corp.**, is compliant with the following:

FCC ID: XCNPXU1900

Model Name: PXU1900

Product Name: 4G Mobile USB

WiMAX chipset provider: Beceem Communications, Inc.

**The Beceem software release 5.2.6 for this product has a configuration parameter (BamcEnable) set to 0. With this parameter setting, the PXU1900 instructs the Base Station not to use Band AMC.**

A handwritten signature in cursive script that reads 'Richard Compton'.

Richard Compton

Vice President, Systems Applications Engineering of Beceem Communications, Inc.
