Re: TINNO
FCC ID: XD6VFD630
FCC Part 15C /15B/15C/22/24/27 Certification
Confidentiality Request

Gentlemen:

1. Short-Term Confidentiality

Pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, applicant hereby requests Short-Term Confidential treatment of the following materials until **180 days** after the Grant Date of Equipment Authorizations.

Exhibit Type	File Name
External Photos	External Photos.pdf
User's Manual	User Manual.pdf

Those documents contain detailed system and equipment description and related information about the product which FCC ID: XD6VFD630 considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, TINNO considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
