EUT View 5	
EUT View 6	

EUT View 7	 A photograph of a small, white, rectangular electronic component. It has a black connector on one end. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
EUT View 8	 A photograph of a circular white electronic component. It has a white cable attached to it. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.

EUT View 9	
EUT View 10	

EUT View 11	 A photograph of a circular white LED module with a cable attached. The module is positioned next to a black ruler with white markings for scale. The ruler is placed vertically, and the module is positioned horizontally. The background is a blue textured surface.
EUT View 12	 A photograph of the same circular white LED module with a cable attached, shown from a different angle. The module is positioned next to a black ruler with white markings for scale. The ruler is placed horizontally, and the module is positioned vertically. The background is a blue textured surface.
