RE: Change in ID Request

To Whom It May Concern:

This Change of Identification request applies for a new FCC ID as established in 47CFR 2.933(b) for a currently approved device. This application by Met Laboratories will establish a new FCC ID under System Planning Corporation's grantee code for purpose of incorporating the device in a communications device for remote installations. The original grant to Holley Group Co., Ltd., FCC ID: 'VQMHZME3A' granted 10/14/2009 will remain in effect.

No changes to the original device were made. Exterior photographs are included in this application.
