**CHANGE IN IDENTIFICATION OF EQUIPMENT**

We, at EION Inc. confirm that we use the CPE-CBSD product CPE-12300SG-PRO-1D-3.x (“device”) under FCC ID: ARA- CPE12300SG the same as it is shipped out from the original manufacturer’s Telrad Network Ltd. facilities.

No changes have been made to the device and its original tests data, etc., submitted for the original application remain applicable to EION Inc.

The device will be known as the MobiLink 9720 CAT12 Outdoor LTE CPE and EION Inc. will identify their device with FCC ID: XEC-ML9720-01.
