FCC Labelling Requirements (47 CFR 15.19)

## Part 15 Compliance Statement and OET Inquiry

Per [47 CFR 15.19](#):

*“(3) All other devices shall bear the following statement in a conspicuous location on the device:*

*This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.*

*(5) When the device is so small or for such use that it is impracticable to label it with the statement specified under [paragraph \(a\)](#) of this section in a font that is four-point or larger, and the device does not have a display that can show electronic labeling, then the information required by this paragraph shall be placed in the user manual and must also either be placed on the device packaging or on a removable label attached to the device.”*

In the case of BRD21, it is impracticable for MMB Networks to include this statement on the device. Further details can be found under OET inquiry **992417**.

As a result, the compliance statement has been included in the device’s Quick Start Guide (User Manual) and on an external box label. The box label is shown in this document.
