Request for Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commission's rules, we hereby request that the following documents be held confidential:

- Schematics
- Block diagrams
- Operational description
- Internal pictures (the circuit board of this consumer device is enclosed in a resin that would destroy the circuit board if removed and the cover is sealed and disassembly would destroy the product.)

These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors.
