

MET Laboratories  
914 W. Patapsco Ave.  
Baltimore, MD 21230

Reference: FCC ID: XFT-TELO101

To Whom It May Concern:

The ooma Telo is physically too small to support a label indicated the appropriate language as called out by the FCC in §15.19. In order to meet this label requirement, the statements are included in the User Manual for ooma Telo, located in the warranty insert included with ooma Telo. This note is included herein for reference.

**This device complies with Part 15 of FCC rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference and, 2) this device must accept any interference received, including interference that may cause undesired operation.**

Sincerely,  
Toby Farrand

  
VP of Engineering
