3

EN

Search for Stealth Ultra and Control Center 2.0 app on Microsoft Store, Play Store and App Store. Keep your controller up to date and customize performance settings on Xbox and Windows. Tune on board memory profiles and configure social notifications on Android and iOS.

- 1 Initiate APP LINK pairing from the COMMAND DISPLAY main menu.
- 2 Pair to your mobile smart device.
- 3 Launch the Control Center 2.0 app.

DE

Suche nach der Stealth Ultra und Control Center 2.0-App in Microsoft store, play store und app store. Halte deinen Controller auf dem neuesten Stand und passe die Leistungseinstellungen auf Xbox und Windows an. Passe integrierte Speicherprofile an und konfiguriere Sozialnetzwerk-Mitteilungen auf Android und iOS.

- 1 Starte die App-Link-Kopplung über das Hauptmenü der Befehlsanzeige.
- 2 Kopple es mit deinem mobilen Smartgerät.
- 3 Starte die Control Center 2.0-App.

FR

Recherchez Stealth Ultra et l'application Control Center 2.0 sur le Microsoft store, le play store et l'app store. Gardez votre manette à jour et personnalisez les paramètres de performances sur Xbox et Windows. Ajustez les profils de mémoire intégrée et configurez les notifications sociales sur Android et iOS.

- 1 Lancez l'appariage de l'application à partir du menu principal Command Display.
- 2 Appariez à votre appareil mobile.
- 3 Lancez l'application Control Center 2.0.

PT

Procura a aplicação Stealth Ultra e Control Center 2.0 na Microsoft store, na play store e na app store. Mantém o teu comando atualizado e personaliza as definições de desempenho na Xbox e em Windows. Ajusta os perfis na memória interna e configura as notificações das redes sociais em Android e iOS.

- 1 Inicia o emparelhamento da aplicação a partir do menu principal do Mostrador de Comandos.
- 2 Emparelha com o teu dispositivo móvel.
- 3 Inicia a aplicação Control Center 2.0.

ES

Busca las aplicaciones Stealth Ultra y Control Center 2.0 en Microsoft store, play store y app store. Mantén tu mando actualizado y personaliza los ajustes de rendimiento en Xbox y Windows. Ajusta los perfiles de memoria integrados y configura las notificaciones de redes sociales en Android y iOS.

- 1 Inicia el emparejamiento de la aplicación desde el menú principal de la pantalla de control.
- 2 Empareja con tu dispositivo inteligente móvil.
- 3 Lanza la aplicación Control Center 2.0.

KO

Microsoft store, play store, app store에서 Stealth Ultra 및 Control Center 2.0 앱을 찾아보세요. Xbox 및 Windows에서 컨트롤러를 최신으로 유지하고 성능 설정을 맞춤 설정하세요. 온보드 메모리 프로필을 설정하고 Android 및 iOS에서 소셜 알림을 설정하세요.

- 1 커맨드 디스플레이 메인 메뉴에서 앱 링크 페어링을 시작하세요.
- 2 모바일 스마트 기기와 페어링하세요.
- 3 Control Center 2.0 앱을 실행하세요.

CHARGING CHARGEMENT

EN

When battery level is low, controller LEDs will flash red.

- 1 Use the dock to charge the controller. Controller LEDs will turn green when it is fully charged.
- 2 Or use the USB cable to Play & Charge. In this mode, STEALTH ULTRA will function as a wired device.

DE

Wenn der Batteriestand niedrig ist, blinkt die LED des Controllers rot.

- 1 Nutze das Dock zum Aufladen des Controllers. Die LED des Controllers leuchtet grün, wenn er vollständig aufgeladen ist.
- 2 Nutze das USB-Kabel zum Spielen und Aufladen. In diesem Modus funktioniert der Stealth Ultra wie ein kabelgebundenes Gerät.

FR

Lorsque le niveau de batterie est faible, les LED de la manette clignoteront en rouge.

- 1 Utilisez le support pour charger la manette. Les LED de la manette clignoteront en vert lorsqu'elle la batterie sera pleine.
- 2 Utilisez le câble USB pour jouer et recharger. Dans ce mode, Stealth Ultra fonctionnera en tant qu'appareil filaire.

PT

Quando a bateria estiver fraca, os LED do comando irão piscar com a cor vermelha.

- 1 Usa a base para carregar o comando. Os LED do comando mostrarão a luz verde quando ele estiver carregado.
- 2 Usa o cabo USB para jogar e carregar. Neste modo, o Stealth Ultra funcionará como dispositivo com fio.

ES

Cuando el nivel de la batería esté bajo, los LED del mando parpadearán en color rojo.

- 1 Usa la base para cargar el mando. Los LED del mando se pondrán verdes cuando esté cargado por completo.
- 2 Usa el cable USB para jugar y cargar al mismo tiempo. En este modo, el Stealth Ultra funcionará como un dispositivo con cable.

KO

배터리 잔량이 낮으면 컨트롤러 LED가 붉게 빛납니다.

- 1 독을 사용하여 컨트롤러를 충전하세요. 완전히 충전되면 LED가 초록색으로 빛납니다.
- 2 USB 케이블을 사용하여 플레이하며 충전하세요. 이 모드에서 Stealth Ultra는 유선 기기로 기능합니다.

Regulatory Compliance Statements for the Stealth Ultra

Local Restrictions on Radio Usage

Caution: Due to the fact that the frequencies used by wireless devices may not yet be harmonized in all countries, these radio products are designed for use only in specific countries, and are not allowed to be operated in countries other than those of designated use. As a user of these products, you are responsible for ensuring that the products are used only in the countries for which they were intended and for verifying that they are configured with the correct selection of frequency and channel for the country of use. Any deviation from the permissible power and frequency settings for the country of use is an infringement of national law and may be punished as such.

To determine whether you are allowed to use your wireless network device in a specific country, please check to see if the radio type number that is printed on the identification label of your device is listed in the manufacturer's OEM Regulatory Guidance document at the following URL: <http://www.turtlebeach.com/homologation> or contact Turtle Beach directly.

Federal Communications Commission (FCC) Compliance Notices

This section includes the following FCC statements for the Stealth Ultra:

- Non-Modification Statement
- Class B Interference Statement
- RF Radiation Exposure & Hazard Warning

FCC Caution

- Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.
- This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Radiation Exposure Statement

The product is a low power device and its output power is lower than FCC SAR exemption level.

IMPORTANT NOTE: In the event that this condition cannot be met (for example certain laptop configurations or co-location with another transmitter), then the FCC authorization is no longer considered valid and the FCC ID cannot be used on the final product. In these circumstances, the OEM integrator will be responsible for re-evaluating the end product (including the transmitter) and obtaining a separate FCC authorization.

Federal Communication Commission Interference Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation..

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

RF Radiation Exposure & Hazard Statements

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

RF warning for Portable device

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Non-Modification Statement

Use only the supplied internal antenna. Unauthorized antennas, modifications, or attachments could damage the Stealth Ultra and violate FCC regulations. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. Please contact Turtle Beach for a list of approved 2.4 GHz antennas.

Innovation, Science and Economic Development Canada (ISED) Compliance Notices

This section includes the following ISED statements for Stealth Ultra:

- Class B Interference Statement
- RF Radiation Exposure & Hazard Warning

IC: 3879A-VOSTICK

Industry Canada statement

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:

- 1) This device may not cause interference, and
 - 2) This device must accept any interference, including interference that may cause undesired operation of the device.
- Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

- 1) L'appareil ne doit pas produire de brouillage, et
 - 2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
- This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

This device and its antenna(s) must not be co-located or operating in conjunction with any other antenna or transmitter, except tested built-in radios.

Cet appareil et son antenne ne doivent pas être situés ou fonctionner en conjonction avec une autre antenne ou un autre émetteur, exception faites des radios intégrées qui ont été testées.

The County Code Selection feature is disabled for products marketed in the US/ Canada.

La fonction de sélection de l'indicatif du pays est désactivée pour les produits commercialisés aux États-Unis et au Canada.

RF Radiation Exposure & Hazard Statement

The product complies with Canada portable RF exposure limits set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

Exposition aux radiations RF & Mention de danger

Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les États-Unis et le Canada établies pour un environnement non contrôlé. Le produit est sûr pour un fonctionnement tel que décrit dans ce manuel. La réduction aux expositions RF peut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou que le dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est disponible.

European Union and European Fair Trade Association (EFTA) Regulatory Compliance

This equipment may be operated in the countries that comprise the member countries of the European Union and the European Fair Trade Association. These countries, listed below, are referred to as The European Community throughout this document: AUSTRIA, BELGIUM, BULGARIA, CYPRUS, CZECH REPUBLIC, DENMARK, ESTONIA, FINLAND, FRANCE, GERMANY, GREECE, HUNGARY, IRELAND, ITALY, LATVIA, LITHUANIA, LUXEMBOURG, MALTA, NETHERLANDS, POLAND, PORTUGAL, ROMANIA, SLOVAKIA, SLOVENIA, SPAIN, SWEDEN, UNITED KINGDOM, ICELAND, LICHTENSTEIN, NORWAY, SWITZERLAND.

NCC警語

取得審驗證明之低功率射頻器材，非經核准，公司、商號或使用者均不得擅自變更頻率，加大功率或變更原設計之特性及功能。低功率射頻器材之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。前述合法通信，指依電信管理規定作業之無線電通信。低功率射頻器材須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。

Declaration of Conformity

declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU.

This symbol on the product or its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste for recycling, please contact your local authority, or where you purchased your product.

Voytera Turtle Beach Inc. is obligated as a producer with a main activity of selling under The Producer Responsibility Obligations (Packaging Waste) Regulations 2007. To fulfil our obligation we are registered with Comply Direct and their Recycling Room. Here you will find advice and information on packaging waste management, recycling symbols and the waste hierarchy principles of reduce, reuse and recycle.

<https://www.complydirect.com/the-recycling-room/>

Attention
Type-C output port is only used for data transmission, not for output on-load.

Attention
To avoid risk of fire, please just connect the product to a power supply of which output capability is less than 15W.

Portable device

Radiation Exposure Statement: The product comply with the Canada portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual.
The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.
Déclaration d'exposition aux radiations : Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les Etats-Unis et le Canada établies pour un environnement non contrôlé.
Le produit est sûr pour un fonctionnement tel que décrit dans ce manuel. La réduction aux expositions RF peut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou que le dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est disponible.
