Reason why the material should be withheld from public inspection:

These documents contain detailed system, equipment description and related information about the product which Voyetra Turtle Beach, Inc. considers to be proprietary, confidential, and a custom design otherwise not released to the general public.

State why the information is a "trade secret;"

Since the design is a basis from which future technological products will evolve, Voyetra Turtle Beach, Inc. considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Trade secret" information is information which is not generally known or reasonably ascertainable, by which a business can obtain an economic advantage over competitors. The information is not normally released to any party or person outside the company.

State whether the information is publicly available anywhere else:

To the best of our knowledge, the information listed here is not publicly available anywhere else.

Sincerely,
Signature:
