

To: TUV Rheinland of North America

This letter is to inform you that Turtle Beach Corporation will update the user guide for the Elite Atlas Aero RX/TX with the following statements:

1. Removal of any warnings about using different antennas or contacting Turtle Beach Corporation for a list of approved antennas
2. Removal of statement – to ensure compliance the RSS102 RF exposure requirements this device must be installed in a location such that the antenna of the device will be greater than 2 cm away from all persons. And will be replaced with this statement - The device meets the FCC and IC RF exposure rules due its low RF output power and radiation when used as intended

The manual will be updated and a copy provided to TUV Rheinland within 30 days (by September 23, 2019).

Regards,

A handwritten signature in black ink, appearing to read "Tim Blaney", written over a horizontal line.
