Subject: FCC Class II Permissive Change Request

Applicant: COPPERNIC
Product: Bluetooth Device and Wi-Fi Device
Model: BT-WIFI-21-148603-0B
FCC ID: XGK211486030B

To the commission:

This is to request for a Class II permissive change for FCC ID: XGK211486030B to update UNII new rules.

The application for Certification of the above referenced FCC ID is filed under Part 15.407(b)(4)(ii) with no changes in total power or hardware changes. The NII FCC RF Test report issued on 04/16/2016 is applicable to this filing. The test results in this report show compliance with part 15.247(d) emission limits for all antenna configurations.

Siège social
Les Fontaines de la Duranne
185 avenue Archimède

Please find below a list of all approved antennas with gain of 10 dBi or less:

Type	Antenna Gain (dBi)
PIFA	4.94 (802.11 b/g/n)
	4.47 (802.11 a/n)

Users and installers are provided with antenna installation restrictions for compliance with FCC requirements.

Confidentiality Request

Pursuant to the provisions of Sections 0.457 and 0.459 of Commission's rules (47CFR§§0.457, 0.459), we are requesting the Commission to withhold the following attachment(s) as confidential document from public disclosure indefinitely.

- Operational Description

Above mentioned document contains detailed system and equipment description are considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

If you have any queries, please do not hesitate to contact us.
