

Ambient Systems B.V.
Attn Mr. L. van Hoesel
Demmersweg 66
7556BN Hengelo
The Netherlands

Date: 2014-11-14

Subject: Identical Equipment Declaration

To whom it may concern:

The RF portion of GW3030v2 is identical to the RF portion of MR3000v2 from hw/firmware point of view. MR3000v2 has no serial port and is a de-populated version of GW3030v2.

Yours sincerely

L. van Hoesel
CTO
