Letter of Confidentiality

To whom it may concern:

This letter conveys our wishes that the documents listed herein associated with our FCC and IC certification applications be kept confidential. The diagrams are of a proprietary nature and distribution of them has the potential of damaging our business.

Documents to be maintained as confidential:

- Circuit Schematic Diagrams
- Block Diagrams

Your assistance in protecting our proprietary materials is appreciated.

Sincerely,

Richard Stahl,
Director of Security and Compliance
Comtech AeroAstro, Inc.
