Federal Communications Commission

7435 Oakland Mills Road

Columbia MD 21046

Subject: Request for Confidentiality

FCC ID: XHHBNTV400-A

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we hereby request that the Commission withhold the attached confidential document from public disclosure indefinitely:

- o Schematic Diagram
- o Block Diagram
- o Theory of Operation

The above-mentioned documents contain detailed system and equipment descriptions and are considered proprietary information of Barnes & Noble relating to the operation of the equipment. Public disclosure of above documents might be harmful to our company and would give any of our competitors an unfair advantage in the marketplace.

In additional to the above-mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we hereby request that the

commission grant short-term confidentiality request on the following attachments until 90 days after the date of grant.

- o External Photos
- o Internal Photos
- o Test Setup Photos
- o User Manual

It is our understanding that all measurement test reports, FCC ID label formatting and correspondence during the certification review process cannot be granted as confidential documents and that such information will be available for public review once the grant of equipment authorization is issued.

Best Regards

Bill Saperstein

Vice President, Hardware Engineering
