label location

The image shows the rear panel of a dark grey industrial device. From left to right, the ports are: a green Ethernet port labeled 'GigE Ethernet', a USB-A port, two Ethernet ports labeled 'COM1' and 'COM2', a blue USB-B port labeled 'SS', another Ethernet port labeled 'COM3', a blue 15-pin D-sub connector labeled 'VGA', a circular multi-pin connector labeled 'IO Pin', a power jack labeled 'DC Input', and a DisplayPort labeled 'DisplayPort (Optional)'. A red rectangular box is drawn around the area between the COM3 and VGA ports, with the text 'label location' written inside in orange. A yellow measuring tape is visible at the bottom of the frame, showing measurements in inches (17 to 30) and centimeters (50 to 76).
