Federal Communications Commission

Application Examiner

Request for Permanent Confidentiality

Applicant: NetComm Wireless Limited

FCC ID: XIA-NWL11

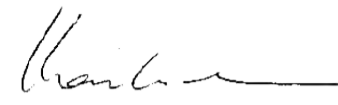

To whom it may concern,

Request is hereby submitted by **NetComm Wireless Limited** to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Block Diagram
- Parts List
- Operation/Functional Description
- Tune Up Procedure

NetComm Wireless Limited have invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

Casey Mak

Production Manager, NetComm Wireless Limited
