The back of the white Sony Ericsson W995c is shown. It features a circular camera lens in the lower-left corner and a barcode sticker in the upper-right. The bottom edge shows the charging port and a small 'MicroSD' slot. A yellow ruler is placed below the phone for scale.

The image shows the back of a white Sony Ericsson W995 mobile phone. The phone is lying on a blue textured surface. On the back, there is a black circular camera lens on the left. In the center, there is a small rectangular label with a barcode and some text. Below the label, there are several ports and labels: a MIC (microphone) port, a +5V DC port, and a Micro SD card slot. To the right of the Micro SD slot, there is a small rectangular button labeled "RESET". The phone has a black bumper around the edges.
