

COVER LETTER

**OPEN1500
OPEN2500**

This letter is to confirm that there's no differences between the two models of RFID card reader, that justifying the using of same test data for both models allowing using the same grantee numbers.

The only difference related to the use case is PVC front face

- FCC ID: XKB-OPE15CLBT
- IC: 2586D-OPE15CLBT

Product			OPEN1500	OPEN2500
Processor		Islero HE	●	●
Memory	Internal	256 MB Flash & 256 MB RAM	●	●
