TO WHOM IT MAY CONCERN

We, INGENICO Terminals SAS, declare on our sole responsibility that the OPEN products series listed under FCC ID XKB-OPE15CLBTv2 and IC: 2886D-OPE15CLBTv2 as listed below

FCC ID / IC	HVIN	Product name
IC: 2586D-OPE15CLBTv2 FCC ID: XKB-OPE15CLBTv2	Open/1500 CL/BT V2	Product : OPEN1500 CL/POE/BT
		Product : OPEN1500 CL/Eth/BT
	Open/2500 CL/BT V2	Product : OPEN2500 CL/POE/BT
		Product : OPEN2500 CL/Eth/BT

has the Bluetooth feature fully identical in hardware and software to the products certified under FCC ID : XKB-OPE15CLBT and 2586D-OPE15CLBT

The Bluetooth components are located inside the product on a specific electronic board which has not been modified. All Bluetooth parts (mechanical, schematics, PCB, antenna,) are kept identical

The only differences between the models is the RFID feature which are using different chipset:

We attest that above changing is not relevant for Bluetooth behaviour subject to regulatory items.

Therefore LCIE Test Report 158305-729579-B issued on March 13, 2019 remains applicable.

Thanks for your attention on this matter

Sincerely,

Name : Nicolas Jacquemont (HW Certification Manager)
