Date: Nov. 22, 2010

To: Federal Communications Commission
Authorization and Evaluation Division

We, INGENICO., declare on our sole responsibility that the product

Type: POS terminal; Brand Name: ingenico; Model: iPA280, IPA280-MWLS1019C, IPA280-MWLS1310A

is in all relevant parts equivalent to the product

Type: POS terminal; Brand Name: ingenico; Model: iPA280, IPA280-MWLS1019C, IPA280-MWLS1310A

The difference between the iPA280 (original ver.) and IPA280-MWLS1019C, IPA280-MWLS1310A (new ver.) is:

1. New power Connector for charging by new cradle or car kit, and DC Jack for charging by PSU.
(Please see Appendix I for pictures which identify the changes)
2. External photos and Internal Photos of new version are placed into report number:
EH/2010/50053, EH/2010/50054, EH/2010/50055, EH/2010/50056, ES/2010/50013, ES/2010/50014

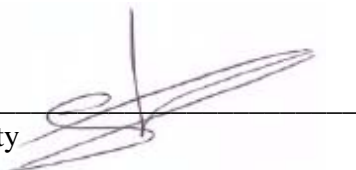

We attest that the test data contained in test reports:

EH/2010/50053	SGS Taiwan Ltd.
EH/2010/50054	SGS Taiwan Ltd.
EH/2010/50055	SGS Taiwan Ltd.
EH/2010/50056	SGS Taiwan Ltd.
ES/2010/50013	SGS Taiwan Ltd.
ES/2010/50014	SGS Taiwan Ltd.

Continue to be representative of and applicable to the new model. Further, we attest that the parts of the original test results which have been identified in the new test reports continue to be representative of and applicable to the new model. The characteristics that may be affected by the differences between the models are measured again on the new model.

Regards,

Marc Delorme / Quality
INGENICO.
